

NOW!!! PAY SPECIAL ATTENTION!!!

You have the extraordinary opportunity to control your own destiny at ADAMCON 10! **PJ NEEDS HELP !!!!**

Help is needed for *everything* from graphics for meal tickets to volunteering to come early and help set up the convention.

Volunteer to lead a session at ADAMCON 10. By now, we all know each other very well, even the new users among us will feel comfortable in just a few short minutes. Even if you don't have a topic, PJ needs you to volunteer to lead a session. For example, even though he can't attend ADAMCON 10 this year, [Rich Drushel](#) is making a videotaped session about converting ADAM graphics to other computer platforms, as well as some more about the [LEGO Robotics Course](#) he teaches at [CWRU](#). **Anything** that you can do with your ADAM is fair game for a session topic.

Pictures are needed! PJ is trying to put together a program with all pictures of previous conventions, or your set-up at your home, etc. The program will be used with *The ADAM Information Manager* (same format as the annual A.N.N. Christmas disk).

Take this opportunity to make the 10th Annual ADAM Convention a real success. *PLEASE consider it at least!!!!*
