Welcome to the Official ADAMCON 10 Home Page!

The 10th International Coleco ADAM Computer Convention will be held in **Orlando, Florida** from **Thursday, OCTOBER 8 through Sunday, OCTOBER 11, 1998** at the Las Palmas Hotel, the same hotel where ADAMCON 01 was held 10 years ago. The Official Host(ess), **PJ Herrington,** was a member of the user group hosting ADAMCON 01, and likes the symmetry of "returning home" to complete the first decade of ADAMCONs.

The Las Palmas Hotel is located on International Drive, just across the street from a water park and in walking distance to lots of tourist attractions and of course... shopping.

The convention package and cost are comparable to past conventions, with **full delegate rate** set at **$270.00 U.S.** The full-package price includes the room, breakfast, lunch, banquet, and all sessions.
