Dear Member:

Thankyou very much for your membership. I'm sure that you'll enjoy our quarterly issues. The actual club will not start untill the second issue. The club will consist of a software exchange program, Data base for ADAM when the modem is released, and a few more ideas when an agreement between an associate of ours is finished. A questionare is enclosed with this letter. Please fill it out to help us help you.

Thankyou,

Charles Kolin, Ed.

The first part of the report deals with the general situation in the country. It is noted that the economy is showing signs of recovery, but that there are still many problems to be solved. The report also discusses the social and political situation, and the role of the government in the development of the country.

SOFTWARE EXCHANGE PROGRAM

Submitting Rules

1. When sending your D-pack program, it's a good idea to use a padded envelope.
2. Return postage is required if you would like your material returned to you.
3. Program directions is a must.
4. A print out of the program is optional but helpful.
5. Please understand that all programs sent in are public domain.
6. If an author's work is accepted, a contract will be sent.

PURCHASING SOFTWARE

1. Though all of our software is **PUBLIC DOMAIN**, \$11.00 is required for postage and handling and D-pack tape.
2. You may send your own D-pack tape to us along with your choices and \$3.00 for postage and handling.
3. Although part of the club does not start until the second issue, the **SOFTWARE EXCHANGE PROGRAM** is being formed now. So you may send in your software at any time.
