ISSUE # 13 JANUARY, 1986  
 SINGLE COPY: \$3.00  
 12 ISSUES : \$18.00 US 3RD CLS  
 \$24.00 US 1ST CLS) \$24.00 CANADA  
 EDITOR: LYLE MARSCHAND

WELL, HARD TO BELIEVE THAT ANOTHER CRISTMAS AND NEW YEAR'S HAS COME AND GONE AND WE'RE INTO 1986 ! TIME SEEMS TO GO TO FAST.  
 CONTINUING OUR STUDY OF EPHESIANS CHAPTER 2.  
 11 THEREFORE REMEMBER THAT AT ONE TIME YOU GENTILES IN THE FLESH, CALLED THE UNCIRCUMSION, WHICH IS MADE IN THE FLESH BY HANDS --12 REMEMBER THAT YOU WERE AT THAT TIME SEPARATED FROM CHRIST, ALIENATED FROM THE COMMONWEALTH OF ISRAEL, AND STRANGERS TO THE COVENANTS OF PROMISE, HAVING NO HOPE AND WITHOUT GOD IN THE WORLD. 13 BUT NOW IN CHRIST JESUS YOU WHO ONCE WERE FAR OFF HAVE BEEN BROUGHT NEAR IN THE BLOOD OF CHRIST. 14 FOR HE IS OUR PEACE, WHO HAS MADE US BOTH ONE, AND HAS BROKEN DOWN THE DIVIDING WALL OF HOSTILITY, 15 BY ABOLISHING IN HIS FLESH THE LAW OF COMMANDMENTS AND ORDINANCES, THAT HE MIGHT CREATE IN HIMSELF ONE NEW MAN IN PLACE OF THE TWO, SO MAKING PEACE, 16 AND MIGHT RECONCILE US BOTH TO GOD IN ONE BODY THROUGH THE CROSS, THEREBY BRINGING THE HOSTILITY TO AN END. 17 AND HE CAME AND PREACHED PEACE TO YOU WHO WERE FAR OFF AND PEACE TO THOSE WHO WERE NEAR; 18 FOR THROUGH HIM WE BOTH HAVE ACCESS IN ONE SPIRIT TO THE FATHER. 19 SO THEN YOU ARE NO LONGER STRANGERS AND SOJOURNERS, BUT YOU ARE FELLOW CITIZENS WITH THE SAINTS AND MEMBERS OF THE HOUSEHOLD OF GOD, 20 BUILT UPON THE FOUNDATIONS OF THE APOSTLES AND PROPHETS, CHRIST JLSUS HIMSELF BEING THE CORNERSTONE, 21 IN WHOM THE WHOLE STRUCTURE IS JOINED TOGETHER AND GROWS INTO A HOLY TEMPLE IN THE LORD; 22 IN WHOM YOU ALSO ARE BUILT INTO IT FOR A DWELLING PLACE OF GOD IN THE SPIRIT.

AND ORDINANCES...". GOD HAS ESTABLISHED A SET OF RULES AND ORDINANCES (THE TEN COMMANDMENTS AND OTHER SPECIFIC RULES) THAT MAN MUST FOLLOW TO REMOVE SIN AND INSURE HIS SALVATION. UNFORTUNATELY, MAN FAILED AT TRYING TO MEET THESE RULES AND COULD NOT BE RECONCILED TO GOD, THIS IS WHERE JESUS CAME IN AND ABOLISHED THE NEED FOR THESE LAWS THROUGH HIS SACRIFICE ON THE CROSS FOR OUR SINS - HE PAID ONCE AND FOR ALL, THE PRICE FOR OUR SINS AND RECONCILED ALL MANKIND TO GOD, ALL WE HAVE TO DO IS ACCEPT THIS "GIFT" FROM JESUS. HENCE, AS VERSE 19 STATES, "... YOU ARE NO LONGER STRANGERS... BUT YOU ARE FELLOW CITIZENS WITH THE SAINTS AND MEMBERS OF THE HOUSEHOLD OF GOD.". I CAN TELL YOU THAT IT IS FANTASTIC TO KNOW THAT I AM GOD'S CHILD AND WILL DWELL WITH HIM IN HEAVEN FOR ETERNITY. WON'T YOU ACCEPT JESUS AS YOUR SAVIOUR AND HAVE THIS ASSURANCE AS WELL ?  
 GOD BLESS YOU ALL.

NIAD - A CHRISTIAN RUN BUSINESS

## NIAD NEWS

. WELL, WE'RE INTO 1986 AND THERE ARE A LOT OF THINGS HAPPENING. LET'S START WITH THE NEGATIVE FIRST - COLECO HAS SOLD OFF ALL THEIR INVENTORY OF ADAM HARDWARE AND SOFTWARE TO THE FOLLOWING RETAILERS : ZAYRE, TOYS R US, KAYBEE TOYS, BESTS, AND LIONEL LEISURE.

THIS MEANS THAT NIAD CAN NO LONGER PURCHASE PRODUCTS FROM COLECO FOR RESALE TO OUR MEMBERS. WE ARE CURRENTLY ATTEMPTING TO LINE UP OTHER SUPPLIERS FOR SOFTWARE, HOWEVER I DO NOT THINK WE WILL BE ABLE TO OBTAIN EITHER DISK DRIVES OR MODEMS ANY LONGER. IT SEEMS THAT TOYS R US IS THE ONLY RETAILER THAT HAS THE HARDWARE IN STOCK. WATCH OUR PRODUCT LIST CAREFULLY AND BE PREPARED TO SEE SOME "OUT OF STOCK" NOTES ON SOME OF YOUR ORDERS. SORRY, BUT THAT IS THE WAY IT IS. WE WILL KEEP YOU INFORMED OF WHERE YOU CAN FIND THE SOFTWARE AND HARDWARE YOU NEED. I'M HAPPY TO SAY THAT WE HAVE BEEN ABLE TO FILL ALL THE ORDERS RECEIVED THROUGH JANUARY 15TH FOR BOTH SOFTWARE AND HARDWARE. NEW ORDERS WILL BE TAKEN BASED ON AVAILABILITY OF PRODUCT.

NOW SOME GOOD NEWS - EVE ELECTRONICS IS SERIOUSLY CONSIDERING PRODUCING A DISK DRIVE CONTROLLER THAT WILL ALLOW THE ADAM TO BE CONNECTED TO ANY STANDARD DISK DRIVE. THEIR PREVIOUS PLANS WERE TO ONLY MAKE THIS AVAILABLE THROUGH THE CPM 2.2 OPERATING SYSTEM, BUT THEY ARE NOW CONSIDERING PROVIDING IT FOR ALL ADAM SOFTWARE WHICH IS WHAT WE NEED ONCE THE COLECO DISK DRIVE IS SOLD OUT.

. SOME MORE GREAT NEWS - COLECO HAS INFORMED US THAT ANY SOFTWARE THAT HAS NOT BEEN OFFICIALLY RELEASED BY THEM AND DOES NOT CONTAIN ANY COPYRIGHT OR TRADEMARK NAMES CAN BE RELEASED INTO THE PUBLIC DOMAIN ! HENCE, SEE OUR PUBLIC DOMAIN PRODUCT LIST AND NOTICE THE ADDITION OF JEOPARDY, PINBALL & HARDHAT MACK AND TROLL'S TALE !!! THESE PRODUCTS ARE BEING DISTRIBUTED AS PUBLIC DOMAIN FOR THE NORMAL COST OF \$6.00 EACH TO COVER DUPLICATION AND THE COST OF THE DATA PACK. WE HAVE WRITTEN INSTRUCTIONS FOR EACH OF THEM WHICH POINT OUT SOME FLAWS AND HOW TO OPERATE THEM. THEY SHOULD BE READY ABOUT THE TIME YOU RECEIVE THIS ISSUE OR SHORTLY THEREAFTER. I FELT IT WAS IMPORTANT THAT THESE GREAT PRODUCTS BE MADE AVAILABLE TO ADAM OWNERS, LEGITIMATELY AND NOT THROUGH ILLEGAL MEANS, EVEN AT SOME RISK TO US. HAVE FUN WITH THESE GREAT GAMES.

. THANKS TO THE HARD WORK OF BOB BAKER, J. WALTERS AND OTHERS WE SHOULD BE ABLE TO OFFER ADDITIONAL QUESTION PACKS FOR BOTH FAMILY FEUD AND JEOPARDY SOON. THESE ARE BOTH FANTASTIC FAMILY GAMES AND THESE ADDITIONAL QUESTION PACKS WILL FURTHER ENHANCE THEIR VERSATILITY.

. MANY OF YOU HAVE REQUESTED THAT NIAD PROVIDE THE NAMES OF OTHER NIAD MEMBERS IN YOUR IMMEDIATE AREA SO THAT YOU MAY CONTACT THEM AND ARRANGE LOCAL MEETINGS. BEFORE I DO THAT I WOULD LIKE INSURE THAT NONE OF YOU

MIND, ME GIVING OUT THIS INFORMATION IF YOU DO PLEASE SEND ME A LETTER ASAP AND LET ME KNOW.

IF SOME OF YOU WANT TO CONTACT OTHERS IN YOUR LOCALE, PLEASE REQUEST THIS INFORMATION IN WRITING AND PROVIDE THE ZIP CODE(S) THAT YOU DESIRE NAMES FOR. FOR THOSE OF YOU IN THE CHICAGO AREA, CHUCK KOLANDER WILL BE COORDINATING OUR FIRST MEETING FOR MARCH. PLEASE CONTACT CHUCK VIA COMPUSERVE (74756,2762) OR CALL HIM AT 790-1857 TO LET HIM KNOW YOU ARE INTERESTED IN ATTENDING A MEETING - WE WILL SET A DATE, TIME AND LOCATION BASED ON THE RESPONSE.

. I'M CONSIDERING SETTING UP A NIAD ONLINE BULLETIN BOARD SYSTEM. PLEASE CONTACT ME VIA COMPUSERVE (72255,47) WITH WHAT YOU WOULD LIKE TO SEE US PROVIDE ON THIS BBS AND HOW MUCH YOU WOULD USE IT.

. WATCH FOR A NEW NIAD NEWSLETTER "LOOK" NEXT MONTH, WHICH WILL PROVIDE FOR BETTER READABILITY FOR YOU AND HOPEFULLY REDUCE THE TIME IT TAKES ME TO "CUT AND PASTE" EACH MONTH.

. PLEASE NOTE THAT THE RECONDITIONED DATA DRIVES WE SELL ARE GUARANTEED FOR 30 DAYS. SUPPLIES ARE RUNNING LOW SO IF YOU WANT ONE I WOULD SUGGEST ORDERING IT SOON.

. I'M CONSIDERING OFFERING A SERVICE FOR THOSE OF YOU THAT HAVE THE ADAM EXPANSION MODULE AND WANT TO USE A MONITOR. WE WOULD MODIFY YOUR COLECOVISION TO CONNECT TO A MONITOR. THIS WOULD REQUIRE YOU SENDING US YOUR CV UNIT FOR A COUPLE OF WEEKS. I WILL CHECK OUT PRICES OF THE PARTS REQUIRED, BUT WOULD THINK IT WILL COST \$25 TO \$30. LET ME KNOW IF YOU ARE INTERESTED.

. NIAD NOW OFFERS A SERVICE THAT WILL CONVERT THE FOLLOWING SMARTGAMES TO DISKETTE:

SUPER ZAXXON  
DONKEY KONG AND JR  
DRAGONS LAIR  
FAMILY FEUD  
2010: TEXT ADVENTURE  
BUCK ROGERS  
FLASHCARD MAKER  
SMART LTRS AND FORMS  
RECIPE FILER

NOTE: BEST OF BRODERBUND CAN BE COPIED TO DISK WITH ANY REGULAR COPY PROGRAM

WALTERS SOFTWARE SHOULD BE THANKED FOR THEIR HARD WORK TO FIGURE OUT HOW TO GET THESE GAMES TO RUN ON DISK AND NO IT'S NOT AS EASY AS JUST COPYING THEM ! AS AN EXAMPLE, OVER 80 CHANGES WERE REQUIRED TO GET 2010 TO RUN FROM DISK ! WALTERS SOFTWARE PROVIDES PRINTED INSTRUCTIONS ON HOW TO DO THIS YOURSELF, BUT IT REQUIRES A SPECIAL COPY PROGRAM THAT CAN COPY BLOCKS TO DIFFERENT LOCATIONS ON THE DISKETTE AND IS A FAIRLY

INVOLVED PROCEDURE FOR SOME OF THE GAMES. HENCE, I THOUGHT WE COULD PROVIDE A COPY SERVICE FOR THOSE OF YOU DON'T HAVE SUCH A SOPHISTICATED COPY PROGRAM AND DON'T WANT TO TAKE THE TROUBLE TO DO IT YOURSELF. YOU MUST SEND IN YOUR SMARTGAMES LABEL FOR EACH OF THE GAMES YOU WANT CONVERTED AND \$4.00 (TO NIAD) TO COVER THE DISKETTE, MAILING AND A ROYALTY TO WALTER'S SOFTWARE.

FOR THOSE HACKERS AMONGST YOU, SEND \$2.00 FOR EACH GAME TO OBTAIN DETAILED INSTRUCTIONS ON HOW TO CONVERT YOUR GAMES TO DISK YOURSELF TO:

WALTER'S SOFTWARE  
RD 4 Box 289A  
TITUSVILLE, PA 16354

. WAYNE HAS STARTED WORKING ON AN "APPLE TO ADAM" CONVERSION FOR PEEKS AND POKES. THIS WILL BE A LIST OF EQUIVALENCIES FOR THESE PEEKS AND POKES WHICH SHOULD ALLOW ALOT MORE APPLE PROGRAMS TO BE CONVERTED TO RUN ON THE ADAM. ANY HELP WOULD BE APPRECIATED.

. NIAD WILL BE REVIEWING ALL THE SOFTWARE PRODUCTS FROM STRATEGIC SOFTWARE IN THE NEXT COUPLE OF ISSUES. THESE INCLUDE PAINTMASTER, SMARTSPELLER, FASTFILER, AND POWERPRINT. NIAD WILL BE CARRYING THE STRATEGIC SOFTWARE PRODUCTS WE FEEL ARE OF HIGH QUALITY.

. SOME OF YOU HAVE REQUESTED WE PROVIDE AN INDEX OF TOPICS FOR THE BACK ISSUES WHICH WE WILL WORK ON AS TIME PERMITS. PLEASE NOTE THAT THERE IS A REVIEW LIST AVAILABLE OF ALL THE SOFTWARE REVIEWED IN 1985. THIS IS SENT TO ALL NEW MEMBERS. IF YOU DON'T HAVE IT OR WANT AN UPDATE SINCE IT WAS PRINTED IN THE SEPT ISSUE, SEND IN STAMPED RETURN ENVELOPE AND WE WILL SEND IT TO YOU.

. I UNDERSTAND THAT SERINDIPITY, THE PUBLISHERS OF THE ADAM TECHNICAL JOURNAL HAVE DISCONTINUED THEIR NEWSLETTER. THIS IS A REAL DISAPPOINTMENT, SINCE THEY PRODUCED A QUALITY, TECHNICAL ORIENTED PUBLICATION. IF ANYONE KNOWS HOW TO REACH THEM, I WOULD LIKE TO DISCUSS AN ARRANGEMENT WITH NIAD.

. SEE OUR NEW GAME HINTS WORKSHOP, WHICH (IF YOU HELP US OUT) WILL BE A PLACE WHERE YOU CAN SHARE HINTS TO HELP OTHERS PLAY GAMES THAT MAY BE TOO TOUGH. PLEASE SEND IN YOUR "HINTS" TO HELP OTHERS !! NOW, FOR THOSE OF YOU DON'T WANT HINTS BECAUSE YOU LIKE THE CHALLENGE - DON'T READ THIS SECTION !!!

. THERE IS A VERY IMPORTANT QUESTIONNAIRE IN THIS ISSUE WHICH I WANT ALL OF YOU TO FILL OUT. IT WILL GREATLY HELP ALL OF YOU IN THAT NIAD CAN BETTER MEET THE NEEDS OF ITS MEMBERS. TO MOTIVATE YOU TO PLACE A STAMP ON THIS QUESTIONNAIRE AND SENT IT BACK TO US, WE WILL HAVE A DRAWING ON MARCH 15TH AND AWARD THE FOLLOWING PRIZES:

FIRST PRIZE : \$30.00 TOWARDS ANY PURCHASE  
SECOND PRIZE : \$20.00 TOWARDS ANY PURCHASE  
THIRD PRIZE : \$10.00 TOWARDS ANY PURCHASE

. GET RENEWALS IN EARLY - THE COST WILL REMAIN AT \$18.00 FOR THIRD CLASS MAILING AND \$24.00 FOR FIRST CLASS AND CANADIAN MAILING. FOR SOME OF YOU THIS IS YOUR LAST ISSUE IF THE NUMBER PRINTED ABOVE YOU NAME ON THE MAILING LABEL BEGINS WITH "0186".

. WE NOW OFFER A MONEY BACK GUARANTEE ON MANY OF THE SOFTWARE PRODUCTS WE CARRY TO INSURE YOU OF THE QUALITY OF THESE ITEMS. YOU MAY RETURN THEM WITHIN 30 DAYS IF NOT SATISFIED FOR A CREDIT. WE FEEL CONFIDENT THAT THESE PRODUCTS ARE OF SUCH HIGH QUALITY THAT WE CAN OFFER THIS GUARANTEE TO YOU.

. NIAD NOW CARRIES TWO TYPES OF DATA PACKS:  
1. COLECO/ LORAN BRAND - THESE ARE THE TOP OF THE LINE DDPS THAT MAY CONTAIN EITHER THE COLECO OR LORAN BRAND NAME. BOTH ARE MADE BY LORANGER OF PENNSYLVANIA WHO MAKES THEM FOR COLECO.  
2. LORAN "GENERIC" BRAND - THESE TAPES ARE ALSO MADE BY LORAN BUT WITHOUT A BRAND NAME AND HENCE ARE CHEAPER, ALTHOUGH OF SIMILAR QUALITY.

. ON SOME OF THE NEWER STYLE PRINTERS YOU MAY HAVE TO PROP UP THE BACK OF YOU RIBBON CARTRIDGE TO GET THE CORRECT PRINTING OF CHARACTERS. JUST FOLD UP A PIECE OF PAPER AND PUT IT UNDER THE RIBBON.

. MANY OF YOU HAVE QUESTIONED WHERE YOU CAN OBTAIN A REPLACEMENT SMARTBASIC TAPE IF YOURS IS LOST OR DESTROYED. WE WILL PROVIDE SMARTBASIC REPLACEMENT TAPES FOR A COST OF \$6.00 PLUS NORMAL SHIPPING. PLEASE GET AND USE A BACKUP COPY PROGRAM TO INSURE YOU HAVE A SPARE COPY OF ALL YOUR CRITICAL TAPES - SEE THE NEW ADAM OWNERS WORKSHOP FOR MORE ON THIS.

. A NUMBER OF YOU HAVE HAD PROBLEMS WITH SOME OF THE FILES ON THE BASIC AND UTILITY PUBLIC DOMAIN PROGRAMS. PLEASE BE ADVISED THAT SOME OF THESE FILES ARE SMARTWRITER FILES WHICH CONTAIN DOCUMENTATION FOR THE OTHER PROGRAMS ON THE VOLUME. YOU MUST ACCESS AND READ THESE FILES FROM SMARTWRITER, NOT BASIC. THESE DOCUMENTATION FILES WILL BE TITLED READ E OR DOC. NOTE THAT THERE MA BE OTHER "H" FILES ON SOME OF THE VOLUMES WHICH ARE MACHINE LANGUAGE FILES USED BY THE VARIOUS BASIC PROGRAMS - THEY ARE NOT RUNNABLE DIRECTLY FROM BASIC, THESE ARE NOT SMARTWRITER FILES (BOTH OF WHICH WOULD HAVE A FILE TYPE OF H ON THE BASIC CATALOG DISPLAY).

. BOB LENNES HAS AN UPDATED, FASTLOAD VERSION OF HIS POPULAR SMARTGAMES AVAILABLE. SEND YOU TAPE/ DISK TO BOB WITH RETURN POSTAGE FOR THE UPDATED VERSION.

- . NEW PRODUCTS CARRIED BY NIAD INCLUDE:
- NIAD DISKETTES (WASHUA BRAND) EITHER BLANK OR FORMATTED.
- INFOCOM TEXT ADVENTURE GAMES INCLUDING ZORK I, II, III.
- SMARTBEST WHICH IS AN ENHANCEMENT TO SMARTBASIC REVIEWED IN THE DEC/85 ISSUE.
- BUSINESS PACK I REVIEWED IN THE DEC/85 ISSUE
- COLECO ADAM USERS HANDBOOK WHICH IS A GREAT BOOK (TO BE REVIEWED IN THE FEBRUARY ISSUE).
- 1985 1040 TAX

#### NIAD BASICS

- . NEW MEMBERS SUBSCRIPTIONS ARE STARTED WITH THE LAST ISSUE PUBLISHED.
- . BACK ISSUES OF THE NIAD NEWSLETTER ARE AVAILABLE FOR \$3.00 EACH AND I WOULD RECOMMEND YOU PURCHASE THEM FOR THE REVIEWS AND WORKSHOP INFORMATION.
- . TELEPHONE CALL INS ARE TAKEN SATURDAY AM'S FROM 8:00 TO 11:00, CHICAGO TIME.
- . REGARDING PRODUCT ORDERING -  
SEND A MONEY ORDER OR CHARGE CARD NUMBER IF YOU WANT TO EXPEDITE YOUR ORDER ON ALL FIRST TIME ORDERS (NOTE: ESTABLISHED MEMBERS MAY PAY BY CHECK WITHOUT THE 10 DAY DELAY).
- . IF YOU ORDER ITEMS THAT ARE SHOWN AS NOT YET AVAILABLE AT THE SAME TIME YOU ORDER OTHER ITEMS, YOU WILL BE CHARGED TWO SHIPPING CHARGES UNLESS YOU SPECIFY THAT I SHOULD HOLD YOUR ORDER UNTIL ALL ITEMS ARE AVAILABLE.
- . IF YOU WANT ME TO SHIP TO A POST OFFICE BOX, INCLUDE THE SHIPPING CHARGE FOR US MAIL SINCE UPS DOES NOT SHIP TO PO BOXES.
- . ALL SHIPMENTS TO CANADA AND HAWAII ARE CHARGED THE US MAIL 1ST CLASS RATE.
- . PLEASE CALL ME FOR MAILING INSTRUCTIONS BEFORE RETURNING ANY DEFECTIVE MERCHANDISE.
- . SPECIFIED SOFTWARE CARRIES A MONEY BACK GUARANTEE IF YOU ARE NOT SATISFIED WITH IT FOR ANY REASON. WE REQUIRE A LETTER EXPLAINING WHY YOU ARE RETURNING IT WHICH MUST BE RECEIVED WITHIN 30 DAYS OF PURCHASE ALONG WITH YOUR RECEIPT.
- . IF I AM BACKORDERED ON AN ITEM THAT IS NOT SHOWN AS "NOT YET AVAILABLE", I WILL FILL THE REST OF YOUR ORDER AND SEND THE BACKORDERED ITEM WHEN RECEIVED (WITH NO ADDITIONAL SHIPPING CHARGE).
- . IF YOU ARE HAVING TROUBLE RECEIVING YOUR NEWSLETTER VIA THIRD CLASS MAIL, YOU MAY UPGRADE TO 1ST CLASS DELIVERY BY SENDING IN \$ .50 FOR EACH MONTH REMAINING IN YOUR SUBSCRIPTION (EXPIRATION MONTH AND YEAR IS THE FIRST 4 NUMBERS OF YOUR MEMBERSHIP NUMBER ON YOUR MAILING LABEL).

#### UPDATES

- . SOME GREAT NEWS - BY THE TIME YOU RECEIVE THIS ISSUE HONEYWELL WILL BE READY TO SERVICE THE ADAM DISK DRIVE !! GETTING THESE DRIVES REPAIRED HAS BEEN A BIG PROBLEM, BUT THIS SHOULD TAKE CARE OF IT. HENCE, JUST TAKE YOUR DEFECTIVE DISK DRIVES IN (OR MAIL THEM IF YOUR NEAREST CENTER IS NOT CLOSE) AND GET THEM REPAIRED.

. STRATEGIC SOFTWARE HAS BEEN PRODUCING ADAM SOFTWARE FOR QUITE AWHILE. SEE OUR REVIEWS IN FUTURE ISSUES OF THESE USEFUL PROGRAMS. LETS ENCOURAGE THEM TO DO FUTURE DEVELOPMENT BY PURCHASING THESE PRODUCTS.

. A NEW COMPANY FOR ADAM HARDWARE IS BEING FORMED BY JOHN LINGREL AND OTHERS. ORPHANWARE WILL BE SUPPLYING A 64K MEMORY EXPANDER, CENTRONICS INTERFACE AND MORE.

. EVE ELECTRONICS IS NEARING COMPLETION OF THE 80 COLUMN VIDEO CARD. IT WILL NOW INCLUDE A BUILT IN MONOCHROME MONITOR (80 COLUMNS CAN'T BE DISPLAYED IN COMPOSITE COLOR) AS WELL AS THE INDEPENDENT POWER SUPPLY, MOTHER BOARD WITH 3 EXPANSION SLOTS AND LIGHT PEN INTERFACE. FINAL PRICE WILL BE AVAILABLE IN FEBRUARY - CALL FOR INFORMATION.

. THE "C" INTERFACE FROM CAPITOL SOFTWARE IS NOW SHIPPING. THE SOFTWARE SUPPORT IS MINIMAL (NOT AS COMPREHENSIVE AS THE EVE SP-1 SOFTWARE), ONLY WORKS IN BASIC AND MUST FIT IN THE SLOT CURRENTLY PROVIDED FOR THE ADAMLINK MODEM. THE ADVANTAGE IS THE ABILITY TO PRINT COLOR GRAPHICS DISPLAYS THAT ARE CREATED IN BASIC, HOWEVER THE CURRENT VERION OF THE SOFTWARE DOES NOT ALLOW YOU TO LOAD IN ANY GRAPHIC PROGRAMS THAT YOU MIGHT HAVE ALREADY CREATED (YOU MUST CREATE THEM WITH THE SOFTWARE PROVIDED). WE WILL HAVE MORE ON THIS PRODUCT NEXT MONTH.

. THE NEW SPEECH SYNTHESIZER FROM AAL IS ALSO SHIPPING. WE WILL HAVE A FULL REVIEW ON IT NEXT MONTH.

. PANASONIC HAS COME OUT WITH A NEW DOT MATRIX PRINTER - THE 1080. IT HAS ALL THE FUNCTIONS (DRAFT MODE, NEAR LETTER QUALITY MODE, VARIOUS FONTS AND GRAPHICS). THE ONLY DIFFERENCE IS THAT IT IS 20 CHARACTERS PER SECOND SLOWER THEN THE 1091 - 100 CPS VERSUS 120 CPS. SEE OUR PRODUCT LIST FOR PRICING INFORMATION.

. EXTENDED SOFTWARE HAS COMPLETED A 1985 TAX PROGRAM FOR ADAM. IT WILL PRINT OUT THE DATA FOR THE 1040, SCHEDULES A,B,C,G AND SE. BEST OF ALL YOU CAN SAVE AND REVISE DATA AND REPRINT. WE WILL HAVE A REVIEW NEXT MONTH, BUT HAVE ADDED IT TO OUR PRODUCT LIST NOW.

. DATA DOCTOR IS NEARING COMPLETION OF SMARTRIX, WHICH IS A SET OF BASIC PROGRAMS USING THE ADDED/ ENHANCED FUNCTIONS PROVIDED VIA SMARTBEST (SEE OUR REVIEW IN NOVEMBER ISSUE). DATA DOCTOR WILL ALSO BE PROVIDING SOME PUBLIC DOMAIN PROGRAMS UTILIZING SMARTBEST ENHANCEMENTS FOR ALL OF YOU THAT HAVE PURCHASED SMARTBEST.

. THERE ARE SOME SUPPLIES OF ADAM KEYBOARDS, POWER SUPPLIES, CPU BOARDS, CONTROLLERS AND DIGITAL DATA DRIVES APPEARING AT RADIO SCHACK AND THROUGH SOME MAIL ORDER SUPPLIERS (JAMECO AND AMERICAN DESIGN).

## NEW ADAM OWNERS WORKSHOP

THE PURPOSE OF THIS COLUMN IS TO HELP NEW ADAM OWNERS GET STARTED AND EFFECTIVELY USE THEIR SYSTEM. OBVIOUSLY, SOME OF YOU NEW ADAM OWNERS MAY BE COMPUTER EXPERTS IN THAT YOU MAY HAVE HAD OTHER SYSTEMS AND ONLY NEED ACCLIMATION TO THE SPECIFICS OF THE ADAM. THE REST OF YOU MAY HAVE PURCHASED THE ADAM AS THEIR FIRST COMPUTER SYSTEM.

THE FIRST THING TO STRESS IS READ THE INSTRUCTIONS AND MANUALS SUPPLIED WITH YOUR ADAM. MANY QUESTIONS I HAVE ANSWERED COULD HAVE BEEN SOLVED THROUGH READING THE COLECO MANUALS. NOW, I KNOW THAT THIS IS TOUGH FOR THE IMPETUOUS AMONG US (I AM ONE OF THESE TYPES), BUT IT NECESSARY IF YOU WANT TO EFFECTIVELY USE YOUR SYSTEM. I DO RECOMMEND A TRAINING COURSE THAT WILL HELP YOU GET STARTED WITH YOUR ADAM CALLED THE LEARNING EXPRESS. THIS AUDIO COURSE WAS REVIEWED IN NIAD ISSUE # 10 AND IS A GREAT WAY TO GET STARTED, ESPECIALLY IF YOU ARE A NEW COMPUTER OWNER. THE AUDIO TAPE AND MANUAL DOES A NICE JOB OF STEPPING THE NOVICE THROUGH SETTING UP THE COMPUTER, AND USING BOTH SMARTWRITER AND SMARTBASIC. DEPENDING ON WHAT YOU PLAN TO USE YOUR ADAM FOR WILL DETERMINE WHAT EDUCATION YOU NEED. IF YOU JUST PLAN TO USE THE WORDPROCESSING PROGRAM (SMARTWRITER) THEN A COMBINATION OF THE BOOK SUPPLIED WITH ADAM AND ONE CALLED THE SECOND BOOK OF ADAM: USING SMARTWRITER. BOTH OF THESE ITEMS ARE AVAILABLE THROUGH THE BUYING SERVICE.

FOR YOU POTENTIAL BASIC PROGRAMMERS, YOU NEED TO PLAN ON SPENDING SOME TIME TO LEARN THE BASIC PROGRAMMING LANGUAGE. THERE ARE A LOT OF BASIC PROGRAMMING BOOKS AROUND AND THE BEST ONE FOR THE BEGINNER THAT I AM AWARE OF IS THE FIRST BOOK OF ADAM: SMARTBASIC. NOW IF YOU WANT TO GET INTO OTHER LANGUAGES SUCH AS LOGO OR USE PROGRAMS SUCH AS ADAMCALC OR SMARTFILER YOU WILL HAVE TO STUDY THE MANUALS THAT COME WITH THESE PROGRAMS. I WOULD SUGGEST YOU GET THE BACK ISSUES OF NIAD TO READ THE REVIEWS AND WORKSHOPS ON SOME OF THESE PROGRAMS.

CPM IS A WHOLE OTHER WORLD AND I WOULD SUGGEST YOU GET ACQUAINTED WITH THE ADAM FOR AWHILE BEFORE YOU TACKLE CPM. SEE THE CPM WORKSHOPS IN THE VARIOUS ISSUES FOR INFORMATION ON THIS OPERATING SYSTEM AND ASSOCIATED PROGRAMS.

THERE ARE SOME BASICS YOU NEED TO GET STARTED.

1. THE FIRST IS A "BACKUP COPY" UTILITY THAT WILL ALLOW YOU TO CREATE A SECOND COPY OF IMPORTANT PROGRAMS SUCH AS YOUR SMARTBASIC TAPE AND OTHER KEY PROGRAMS. THIS IS A COMMANDMENT TO INSURE THAT YOU HAVE AN EXTRA COPY OF THESE KEY PROGRAMS IN CASE YOUR ORIGINAL IS LOST OR DAMAGED. IF YOU DO NOT HAVE ONE OF THESE PROGRAMS (THERE ARE A BUNCH ON THE MARKET) YOU SHOULD ORDER THE NIAD PUBLIC DOMAIN VOLUME UTILITY # UNDV1 WHICH CONTAINS A PROGRAM CALLED UTILICOPY WHICH WILL MAKE BACK UP COPIES OF ALL YOUR DATA PACKS AND DISKS EXCEPT FOR THE SUPERGAMES.
2. REPAIR FOR YOUR ADAM (EXCEPT FOR THE DISK DRIVE) CAN BE OBTAINED AT A HONEYWELL SERVICE CENTER LOCATED NEAR YOU - CALL INFORMATION OR THE COLECO TOLL FREE "HOTLINE" FOR THE PHONE NUMBER.

3. READ THE PRODUCT REVIEW SUMMARY YOU RECEIVED AND DETERMINE WHICH PRODUCTS YOU ARE INTERESTED IN AND THEN READ THE DETAILED REVIEW IN THE BACK ISSUE INDICATED FOR MORE INFORMATION IF REQUIRED - DON'T BUY INDISCRIMINATELY JUST BECAUSE A TITLE SOUNDS GOOD BECAUSE YOU MAY BE DISAPPOINTED AND FRUSTRATED.
4. ORDER BASIC SUPPLIES OF RIBBONS AND EXTRA DATA PACKS/ DISKETTES SO YOU DON'T RUN OUT WHEN YOU'RE IN THE MIDDLE OF A HOT PROJECT.

### NIAD PUBLIC DOMAIN LIBRARIES

THERE HAVE BEEN SEVERAL QUESTIONS REGARDING THE NIAD PUBLIC DOMAIN LIBRARY PROGRAMS. THESE VOLUMES CONTAIN A NUMBER OF INDIVIDUAL PROGRAMS TO BE RUN UNDER THE SPECIFIED SOFTWARE. THIS IS ONE POINT OF CONFUSION - EACH OF THE PROGRAMS ON THE PD VOLUMES RUNS "UNDER" THE SPECIFIED SOFTWARE:

THE BASIC LIBRARIES ARE PROGRAMS WRITTEN IN ADAM SMARTBASIC AND REQUIRE THAT YOU LOAD AND RUN THE INDIVIDUAL PROGRAMS AFTER YOU INSERT THE SMARTBASIC TAPE IN THE DATA DRIVE AND LOAD IT BY RESETTING THE ADAM AS DESCRIBED IN THE SMARTBASIC MANUAL.

THE BASIC UTILITY LIBRARY IS ALSO A SET OF PROGRAMS WRITTEN IN BASIC.

THE ADAMCALC LIBRARY CONTAINS PROGRAMS WRITTEN TO RUN UNDER THE ADAMCALC SOFTWARE PROGRAM.

THE LOGO LIBRARY CONTAINS PROGRAMS WRITTEN TO RUN UNDER THE SMARTLOGO SOFTWARE PROGRAM.

THE CPM 2.2 LIBRARIES CONTAIN PROGRAMS WRITTEN TO RUN UNDER THE CPM 2.2 SOFTWARE PROGRAM.

HENCE, THE BASIC AND UTILITY LIBRARIES ONLY REQUIRE THAT YOU HAVE THE SMARTBASIC SOFTWARE WHICH COMES WITH YOUR ADAM. THE OTHER LIBRARIES REQUIRE THAT YOU PURCHASE THE INDICATED SOFTWARE PROGRAMS (ADAMCALC, LOGO, CPM 2.2) TO RUN THE SUPPLIED PROGRAMS.

THE PD LIBRARIES CONTAIN PROGRAMS WRITTEN BY NIAD MEMBERS OR OBTAINED FROM VARIOUS ONLINE BULLETIN BOARD SYSTEMS VIA THE ADAMLINK MODEM. YOU WILL FIND MANY QUALITY PROGRAMS IN THESE LIBRARIES, SOME I HAVE BEEN TOLD ARE BETTER PROGRAMS THAN THOSE SOME OF YOU HAVE PURCHASED FOR \$ 20.00 ! SOME OF THE PROGRAMS HAVE DOCUMENTATION CONTAINED IN A SEPARATE FILE (LIKE MUSIC.DOC), SOME HAVE INSTRUCTIONS IN THE PROGRAM ITSELF AND SOME DON'T HAVE ANY DOCUMENTATION. THERE IS A TREMENDOUS VARIETY OF PROGRAMS ON THE LIBRARIES - GAMES, UTILITIES, EDUCATIONAL, BUSINESS, GRAPHICS, ETC. YOU CAN OBTAIN A LOT OF USEFUL SOFTWARE FOR A SMALL PRICE TO FURTHER YOUR USE OF THE ADAM.

ONE WORD OF WARNING - CPM 2.2 IS AN ALTERNATE OPERATING SYSTEM FOR THE ADAM WHICH IS NOT THAT EASY TO USE. YOU WILL NEED TO SPEND SOME TIME IN STUDYING THE CPM 2.2 MANUAL AND SOME OF OUR CPM WORKSHOPS.

## BEGINNERS BASIC WORKSHOP

LOW RESOLUTION (GR) WORKSHOP BY DAN PEASE

LET'S LOOK AT SOME SIMULATED MOTION IN GR THIS TIME.  
I HAVE A PROGRAM TO DO A LITTLE BIT OF THAT HERE:

OREM DESRTRAMA BY DAN PEASE

```
10GR:COLOR =7:FOR X=0 TO 39:VLINE 0, 39 AT X:NEXT
50COLOR =6:VLINE 19, 39 AT 18:VLINE 17, 25 AT 15
70VLINE 17, 25 AT 21:HLINE 15, 21 AT 25:COLOR =13
100VLINE 3, 7 AT 3:VLINE 2, 8 AT 4:VLINE 1, 9 AT 5
130VLINE 2, 8 AT 6:VLINE 3, 7 AT 7
150? " PRESS ANY KEY TO MAKE"
155? " THE SUN GO DOWN!":GET K$:HOME
160FOR Y=1 TO 32:FOR X=3 TO 7:COLOR =7
185 A=Y+9:IF A>39 THEN A=39
190VLINE Y-1, A AT X:IF Y=32 THEN 240
200COLOR =13
210IF X=3 OR X=7 THEN VLINE Y+2, Y+6 AT X
220IF X=4 OR X=6 THEN VLINE Y+1, Y+7 AT X
230IF X=5 THEN VLINE Y, Y+8 AT X
240NEXT X:NEXT Y:COLOR =0:FOR Y=0 TO 39
270FOR X=0 TO 39:IF SCRNX(X, Y)<>6 THEN PLOT X, Y
290NEXT X:NEXT Y:COLOR =10:HLINE 26, 27 AT 12
330HLINE 26, 27 AT 5:VLINE 6, 11 AT 28:VLINE 7, 10 AT 29
360PLOT 27, 6:PLOT 27, 11:FOR REP=1 TO 300
380COLOR =5:PLOT 10, 8:PLOT 16, 2:PLOT 13, 14
390PLOT 19, 8:PLOT 35, 4:FOR DE=1 TO 50:NEXT DE
410COLOR =0:PLOT 10, 8:PLOT 16, 2:PLOT 13, 14
420PLOT 19, 8:PLOT 35, 4:COLOR =5:PLOT 10, 8
440PLOT 16, 2:PLOT 13, 14:PLOT 19, 8:PLOT 35, 4
450NEXT REP
500? " 1=DO IT AGAIN"
510? " 2=TWINKLE THE STARS MORE"
520? " 3=END PROGRAM"
530INPUT " WHICH CHOICE? (1-3) ":C%
540IF C%>0 AND C%<3 THEN ON C% GOTO 10, 360
560TEXT:? " HOPE YOU ENJOYED THE SHOW! ":?
565??:? " THAT WAS 'DESERT DRAMA'"
```

THIS WILL BE IN THE LIBRARY IF YOU DO NOT WANT TO TYPE IT IN.

I WROTE THE PROGRAM AND THEN WENT BACK AND CONDENSED THE LINES TO FIT THE LAYOUT OF THIS NEWSLETTER. LET'S DISCUSS SOME OF THE LINES:

LINE 10 PUTS UP THE BACKGROUND SKY- LIGHT BLUE.  
LINE 50 GOES TO MEDIUM GREEN AND DRAWS THE CACTUS.  
(THEN SETS COLOR FOR THE SUN)  
LINES 100 AND 130 DRAW THE SUN.

LINES 150 AND 155 GET YOU TO GIVE ADAM THE "GO-AHEAD" ORDER TO MAKE THE "SUN" GO DOWN.

LINES 160 TO 240 DO THE WORK OF SETTING THE SUN. WHAT I DID WAS TO DRAW OVER THE SUN IN THE "SKY" COLOR THEN TO REDRAW THE SUN AT ONE LOWER POSITION THAN IT WAS. AT THIS IS REPEATED 31 TIMES AND ON THE 32ND TIME THE SUN IS NOT REDRAWN (SEE IF.. THEN AT LINE 190).

LINE 240 (LAST PART OF LINE) TO LINE 290 (FIRST TWO COMMANDS) DO THE DARKNESS CLOSING IN. THE IF...THEN WITH THE SCRNX FUNCTION (TO CHECK FOR GREEN - CACTUS) ALLOWS THE CACTUS TO ESCAPE THE BLACK OF NIGHT.

LINE 290 (LAST PART) SETS THE COLOR FOR THE MOON AND STARS. THE MOON IS HLINE AND VLINE-ED INTO PLACE AND THE STARS ARE PLOT-ED.

LINE 360 (LAST PART) BEGINS THE TWINKLE EFFECT. ADAM CAN DRAW SO FAST THAT I HAD TO PUT A COMMAND IN LINE 390 FOR HIM TO COUNT TO 50 BEFORE HE WENT ON TO "ERASING" THE STARS BY PLOT-ING THEM WITH BLACK TO MATCH THE NIGHT SKY. IF THE DELAY LOOP WAS MISSING ADAM WOULD ZIP THROUGH THE THING SO FAST IT WOULD BE HARD TO ENJOY IT!

LINES 500-565 GIVE YOU A SMALL MENU TO PICK THE REST OF THE SEQUENCE OF EVENTS. YOU ARE THEN IN CONTROL TO CHOOSE THE RESTARTING, RETWINKLING OR ENDING.

THE SCRNX FUNCTION IS SO USEFUL, I WANT TO GIVE YOU ANOTHER EXAMPLE:

SUPPOSE THAT YOU HAVE A GR SCREEN DRAWN AND YOU WANT TO CHANGE CERTAIN COLOR NUMBERS. YOU HAVE THE SCRNX FUNCTION TO COME TO YOUR AID IF YOU KNOW HOW.

TRY THIS:

```
0 REM SWITCHCOLOR BY DAN PEASE
10 HOME:?" THERE MUST BE A 'GR' SCREEN HERE NOW. "
20 ?" YOU CAN SWITCH ONE COLOR FOR ANOTHER "
30 INPUT " WHAT COLOR DO YOU WANT TO CHANGE? ":CC
40 INPUT " WHAT WOULD YOU LIKE IT TO BE? ":CN
50 FOR X=0 TO 39:FOR Y=0 TO 39
60 COLOR=CN:IF SCRNX(X,Y)=CC THEN PLOT X,Y
70 NEXT Y:NEXT X
```

USE THE COLOR NUMBERS AS IN THE MANUAL PAGE A-11 OR 112. HAVE FUN EXPERIMENTING! THE FOR ...NEXT LOOPS CAN BE MODIFIED TO COVER A PORTION OF THE SCREEN INSTEAD OF THE WHOLE SCREEN TO CHANGE PARTS OF A DRAWING INSTEAD OF THE ENTIRE THING.

DISK INIT

LETS REVIEW SOME BASIC FACTS. DATA IS STORED IN "BLOCKS" ON TAPE OR DISK. A BLOCK CONTAINS 1024 BYTES OF INFORMATION. A TAPE HAS SPACE FOR 256 BLOCKS AND A DISK 160 BLOCKS.

WHEN YOU DO A CATALOG COMMAND IN SMARTBASIC YOU WILL NOTICE A NUMBER NEXT TO EACH FILE AND A "SPACE REMAINING" NUMBER AT THE END OF THE LIST OF FILES. THESE ARE THE NUMBER OF BLOCKS USED BY EACH FILE AND THE TOTAL SPACE ON THE PACK. AN EXAMPLE:

] VOLUME: NIADBASIC

```
A    5 CRAYONS
A   10 DRAWIT
H    3 README
```

238 BLOCKS FREE

THE NAMES OF EACH OF THE FILES YOU HAVE ON A TAPE OR DISK IS STORED IN THE FIRST BLOCK IN SOMETHING CALLED A DIRECTORY. THIS CAN BE SIMPLY THOUGHT OF AS A LIST OF THE FILE NAMES AND A "POINTER" TO WHERE EACH FILE IS ON THE TAPE/DISK. AS AN EXAMPLE, LETS SAY YOU HAVE A FILE CALLED LETTER THAT YOU CREATED IN SMARTWRITER. THIS FILE MAY BE STORED IN BLOCKS 20 AND 21 (2 BLOCKS ONG). THE DIRECTORY POINTS TO BLOCK 20 AS THE START OF THE FILE.

BOTH SMARTWRITER AND SMARTBASIC FILES ARE STORED IN THIS FASHION THE ONLY DIFFERENCE BEING THAT THE "FILE TYPE" OF "A" IS USED FOR SMARTBASIC FILES AND "H" IS USED FOR SMARTWRITER FILES. THESE FILE TYPES ARE LISTED NEXT TO THE FILE NAME WHEN YOU DO A "CATALOG" COMMAND IN SMARTBASIC.

THERE IS A COMMAND IN SMARTBASIC CALLED "INIT", WHICH STANDS FOR INITIALIZE. THIS COMMANDS SETS UP A BLANK DIRECTORY ON A TAPE/DISK. IT RESERVES THE DIRECTORY SPACE IN BLOCK 1. IF THERE ARE ALREADY FILES ON THE TAPE/DISK AND YOU INIT THE TAPE/DISK THE FILE NAMES IN THE DIRECTORY WILL BE ERASED AND HENCE, ALTHOUGH THE FILES ARE PHYSICALLY STILL IN THEIR RESPECTIVE BLOCKS, THE DIRECTORY DOESN'T KNOW THEY ARE THERE. MANY OF YOU HAVE FOUND THIS OUT THE HARD WAY BY INITING A TAPE/DISK YOU DIDN'T MEAN TO !

THE SECOND THING INIT DOES IS RESET THE AMOUNT OF FREE SPACE REMAINING ON THE TAPE/DISK. UNFORTUNATELY, IF YOU INIT A DISKETTE, SMARTBASIC STILL SETS THE REMAINING SPACE AT 256 BLOCKS. THIS CAN CAUSE ALL KINDS OF CONFUSION WHEN ADDING FILES BECAUSE YOU MAY RUN OUT OF ROOM WHEN YOU THINK YOU STILL HAVE SPACE LEFT.

THE FOLLOWING PROGRAM (FROM NIAD BASIC PUBLIC DOMAIN VOLUME # 6) WILL CORRECTLY INIT A DISK WITH THE CORRECT AMOUNT OF SPACE:

## SPEED MAZE

W. MOTEL

FIRST OFF, THIS IS NOT AN ORIGINAL, BUT A PROGRAM I ADAPTED FOR THE ADAM FROM NIBBLE MAGAZINE - 2/84 ISSUE. THIS WAS ORIGINALLY AN APPLE PROGRAM. I HAD DONE THIS PRIOR TO MUCH OF THE SOUND/GRAPHICS PEEKS/POKES LOCATION BEING KNOWN, THEREFORE THERE IS NOTHING TOO FANCY. IF YOU LIKE THE PROGRAM, YOU CAN TRY ADDING SOME OF THIS YOURSELF.

THE PROGRAM GENERATES A LO-RES MAZE OF 9 X 9 CELLS. YOU MUST TRAVEL FROM THE STARTING POSITION TO THE GOAL. YOU CAN CONTROL THE MAZE SPEED AND CAN EVEN REPLAY THE SAME MAZE OR GET A NEW ONE. ALL INPUT IS DONE VIA JOYSTTCK 1.

AS I MENTIONED, THE MAZE IS MADE UP OF A 9 X 9 CELL LAYOUT, WHERE EACH CELL IS MADE UP OF 4 X 4 LO-RES SQUARES. THE CELL WALLS ARE 1 SQUARE, WITH THE REMAINING 3 LEFT FOR YOU TO TRAVEL THRU BY YOUR 1 SQUARE PLAYER.

IN LOOKING AT THE PROGRAM YOU WILL SEE THIS REFLECTED IN HLTN AND VLIN COMMANDS THAT CHANGE BY ( \* 4). X AND Y IS YOUR POSITION. XG AND YG IS THE GOAL (END) POSITION.

LINE 190 CHECKS TO SEE IF YOU REACHED THE GOAL. LINE 200 CHECKS TO SEE IF YOU ARE AT A COLORED SPOT (YOU HIT YOURSELF OR THE WALL). IF NEITHER, LINE 210 PLOTS YOUR NEW POSITION.

THE PDL(13) CHECKS WHAT KEYPAD BUTTON WAS PUSHED. PDL(5) CHECKS THE JOYSTICK MOVEMENT.

THE ACTUAL MAZE BUILDING PROCESS AND GENERATION IS VERY NICELY EXPLAINED IN THE NIBBLE ISSUE. IF YOU ARE INTERESTED IN MAZE BUILDING, TRY TO GET A COPY OF THE ARTICLE.

BESIDES BEING ENTERTAINING, I HOPE THE PROGRAM WILL ALSO SHOW YOU A FEW HELPFUL LO-RES SCREEN AND PDL COMMAND TECHNIQUES THAT YOU CAN USE.

```

### THE ADAM PERSONAL PHONEBOOK PROGRAM

By Bob Lennes

NOTE TO PROGRAMMERS: SOME OF YOU MAY HAVE MISSED THE ARTICLE I PROMISED FOR THE OTHER MONTH. I DECIDED THAT INSTEAD OF SHOWING YOU HOW TO SAVE DATA WITH POKES AND A BSAVE, I WOULD WRITE AN ACTUAL PROGRAM THAT DOES IT. THIS PROGRAM IS VERY COMPLICATED, BUT SINCE IT WOULD BE HARD TO EXPLAIN SAVING DATA WITH BSAVE'S AND POKES TO THE NOVICE PROGRAMMER, THIS PROGRAM WAS ONLY INTENDED FOR THE EXPERIENCED PROGRAMMER TO WORK WITH. ON THE OTHER HAND THE NEW PROGRAM I HAVE WRITTEN FOR THIS MONTHS ISSUE IS INTENDED FOR ANYONE TO USE, SINCE IT IMPLEMENTS THE SMARTWRITER TYPE FORMAT. NEXT MONTH I WILL GO IN DEPTH INTO THE SUBROUTINES OF THIS PROGRAM.

### DESCRIPTION AND INSTRUCTIONS

THIS PROGRAM IS INTENDED TO BE A FULL-FLEDGED PERSONAL PHONEBOOK/MAILER PROGRAM. IT UTILIZES THE SMARTKFYS AND IS VERY EASY TO USE. THIS PROGRAM CAN STORE UP TO 2550 NAME ENTRIES ON DISK OR TAPE AND IT CAN STORE UP TO 170 ENTRIES IN MEMORY AT ONE TIME. YOU CAN EITHER TYPE IT IN OR YOU CAN RECEIVE ON NIAD P.D. LIBRARY #BNDV7.

### THE OPENING SCREEN

FROM THE TITLE SCREEN YOU CAN SELECT THE FOLLOWING OPTIONS:

I-SAVE FILE- ALLOWS YOU TO SAVE ALL THE ENTRIES IN MEMORY INTO A FILES. A MAXIMUM OF 15 FILES CAN BE STORED ON ONE DISK OR TAPE.  
 IT-LOAD FILE- ALLOWS YOU TO SELECT THE DRIVE IF YOU WANT, AND THEN SELECT A FILE TO LOAD OR DELETE. TO DELETE A FILE, SELECT IT WITH THE ARROW KEYS AND PUSH THE DELETE KEY.  
 ITT-ADD ENTR- ALLOWS YOU TO ADD A ENTRY TO MEMORY. UP TO 170 ENTRIES CAN BE IN MEMORY AT ONE TIME. PUSH RETURN AFTER EACH FIELD (NAME, ADDR, CITY, STATE, ETC.)  
 IV-DEL ENTR- DISPLAYS 16 NAMES AT A TIME ON SCREEN. USE ARROW KEYS TO SELECT THE NUMBER OF THE ONE YOU WANT TO DELETE. PUSH UNDO IF YOU WANT TO 'UNDELETE' A NAME ENTRY.  
 V-PRNT OUT- ALLOWS YOU TO PRINT ON SCREEN (AND PRINTER IF YOU WANT) EITHER ALL THE ENTRIES, ALL THE ENTRIES UNDER A CERTAIN LETTER, AND SELECT EITHER PRINT NAME ONLY, NAME AND ADDRESS, NAME AND PHONENUMBER, OR THE

ENTIRE ENTRY.

VI-QUIT- ALLOWS YOU TO EXIT PROGRAM.

<ESCAPE/WP>- AT ALMOST ANY TIME IN THE PROGRAM THIS KEY WILL ALLOW YOU TO RETURN TO THE MAIN MENU.

### THE FILES

THIS PROGRAM CAN STORE UP TO 15 FILES ON ONE DISK OR TAPE, AND STORES A DIRECTORY OF THESE FILES IN THE BINARY FILE PH#FLS. IF YOU DELETE A FILE WITHOUT USING THE PHONEBOOK PROGRAM (E.G. IN BASIC), YOU MUST ALSO DELETE IT FROM THE PH#FLS BY USING THE PHONEBOOK PROGRAM. YOU WILL GET A DRIVE ERROR MESSAGE, BUT THE PROGRAM WILL THEN GO TO THE MAIN MENU SCREEN. IF YOU USE A NAME OF A FILE THAT ALREADY EXISTS, THE PROGRAM WILL TELL YOU AND ASK YOU IF YOU WANT TO DELETE IT.

FOR THOSE OF YOU WHO HAVE HUGE PHONE LISTINGS, YOU CAN USE THE FULL POTENTIAL OF THIS PROGRAM BY CREATING 13 DIFFERENT FILES- ONE FOR A & B, ONE FOR C & D, ONE FOR E & F, ETC. IF YOU DESIRE, YOU CAN FIRST CHANGE THE PROGRAM SO THAT EACH FILE IS SHORTER (FOR FASTER LOADING) BY CHANGING THE VARIABLE NL% IN LINES 24 AND 30. YOU MAY WANT TO HAVE ONE BLANK DISK OR TAPE FOR PHONE FILES ONLY THEN.

```

## CPM 2.2 WORKSHOP

### CPM CLUTTC

I THOUGHT IT MIGHT BE HELPFUL TO GO OVER SOME OF THE MORE COMMON PROBLEMS MANY OF YOU SEEM TO BE HAVING WITH CPM 2.2.

1. READING THE CPM 2.2 MANUAL - YOU CAN NOT SKIP THIS STEP. MANY OF YOU ARE NOT READING THE INSTRUCTIONS CONTAINED IN THIS MANUAL AND HENCE YOU DON'T GET THE RESULTS EXPECTED. ALSO, IF YOU ARE HAVING TROUBLE UNDERSTANDING THE MANUAL WE RECOMMEND YOU PURCHASE THE BOOK CPM USER'S GUIDE AS SHOWN ON OUR PRODUCT LIST.

2. DRIVE CONVENTIONS - CPM IS VERY PARTICULAR ABOUT HOW YOU USE ITS DRIVES. THE DRIVE YOU BOOT YOUR CPM SYSTEM FROM IS RECOGNIZED AS DRIVE A: AND ANY DISK/ TAPE IN THIS DRIVE MUST CONTAIN THE CPM SYSTEM ON IT. (NOTE: YOU CAN ADD THE CPM SYSTEM TO ANY FORMATTED DISK/ TAPE, EVEN IF IT ALREADY HAS PROGRAMS ON IT BY USING THE SYSGEN COMMAND, AS EXPLAINED IN THE MANUAL).

IF YOU TRY TO READ OR WRITE TO A DRIVE THAT DOES NOT CONTAIN A TAPE OR DISKETTE YOU WILL GET AN ERROR AND HAVE TO RELOAD CPM.

3. SWITCHING DISKS/ TAPES - IF YOU SWITCH A DISK OR TAPE ON CPM YOU MUST HOLD THE CONTROL AND C KEY DOWN WHICH DOES A "WARM" BOOT (LIKE A RESET BUT DOES NOT NEED TO LOAD THE ENTIRE SYSTEM). THIS WILL READ THE NEW DIRECTORIES AND ALLOW YOU TO COPY FILES BETWEEN DISKS/ TAPES. IF YOU DON'T DO THIS CONTROL-C AFTER YOU CHANGE DISKS (OR IF YOU INSERT A DISK/ TAPE IN AN EMPTY DRIVE) YOUR DIRECTORY WILL BE INCORRECT AND YOU WILL GET AN ERROR IF YOU TRY TO COPY A FILE FROM ONE TAPE/ DISK TO ANOTHER.

4. CPM PROGRAMS THAT HAVE "COM" AS THE LAST 3 LETTERS OF THE FILE NAME ARE RUN BY JUST ENTERING THE NAME OF THE PROGRAM I.E. TO RUN THE PROGRAM CHESS.COM YOU ENTER "CHESS" AND HIT RETURN.

5. LIBRARY FILES - MANY CPM PROGRAMS ARE STORED IN A "LIBRARY", WHICH IS A SPECIAL METHOD OF STORING FILES IN A REDUCED SPACE. THESE FILES HAVE "LBR" AS THE LAST 3 LETTERS OF THE FILE NAME. TO GET THE PROGRAMS OUT OF THESE LIBRARIES, YOU MUST USE A PROGRAM CALLED DE-LBR, WHICH WE INCLUDE ON MOST OF OUR CPM PUBLIC DOMAIN VOLUMES. TO EXTRACT THE FILES YOU ENTER "DE-LBR" AND THE NAME OF THE LBR FILE.

NOTE: WHEN YOU DELIBRARY A LBR FILE YOU MUST NOT DO IT ON THE PD DISK/ TAPE IT CAME ON - YOU MUST MOVE BOTH THE DE-LBR PROGRAM AND THE LBR FILE TO A BLANK CPM FORMATTED TAPE/ DISK TO LEAVE ENOUGH ROOM FOR THE INDIVIDUAL FILES THAT WILL BE CREATED WHEN YOU RUN DE-LBR.

NIAD CP/M PUBLIC DOMAIN  
BY C KOLANDER

THIS MONTH WE WILL COVER PD Disk # 7, AS WAS STATED LAST MONTH WE WILL BE SKIPPING DISK #6 AS IT IS THE 350 POINT VERSION OF ADVENTURE, A TEXT ADVENTURE GAME, AND HAS FULL DOCUMENTION ON THE DISK.

MADAM7.COM -- THIS IS A FULL FEATURED VERSION OF MODEM 740. THE OVERLAY IS ALREADY INSTALLED, SO THE PROGRAM IS READY TO RUN AS IS. THE MAIN THING THIS VERSION FEATURES THAT EARLIER ONES DIDN'T IS IT CAN DIAL YOUR PHONE NUMBER FOR YOU, AND TAKES FULL ADVANTAGE OF THE LIBRARY OF PHONE NUMBERS IN THE PROGRAM ITSELF. THIS IS THE BEST PUBLIC DOMAIN TELECOMMUNICATIONS PROGRAM YOU CAN GET FOR YOUR ADAM RIGHT NOW. THERE IS A COMPLETE DOCUMENTION FILE ON THE DISK.

WID30.COM -- THIS IS A PUBLIC DOMAIN VERSION OF SCREEN CHOP, AS FOUND IN THE SEPTEMBER ISSUE OF NIAD. IT CUTS EVERYTHING DOWN FROM 80 COLUMN TO 30 COLUMN. THE ASM FILE IS ALSO INCLUDED.

ELIZA.LBR -- THIS LIBRARY CONTAINS A GAME CALLED ELIZA. IN THIS GAME ADAM WILL ASK YOU QUESTIONS BASED ON ANSWERS TO PREVIOUS QUESTIONS, SORT OF A PSYCHOANALYSIS. IT'S KIND OF FUN HAVING A CONVERSATION WITH YOUR COMPUTER, AND SEEING IT'S RESPONSE TO WHAT YOU SAY TO IT. THIS VERSION IS A COMMAND FILE SO YOU DON'T HAVE TO HAVE A BASIC INTERPRETER TO USE IT. VERY GOOD GAME.

CPMFLT.COM -- THIS IS A FILTER PROGRAM THAT CAN BE USED ON TEXT FILES TRANSFERRED TO CP/M FROM THE ADAM EOS FORMAT. IT WILL ADD EVERYTHING CP/M NEEDS IN IT'S TEXT FILES. IT WAS WRITTEN PRIMARILY FOR USE ON FILES THAT WILL BE USED WITH WORDSTAR. INVOKING THE PROGRAM WITHOUT A COMMAND TAIL WILL SHOW THE CORRECT SYNTAX.

DELTB.COM -- THIS PROGRAM WILL BE INCLUDED (WHEN EVER POSSIBLE) ON ALL DISKS WITH LIBRARY FILES ON THEM. IT IS EASY TO USE, BUT WILL ONLY EXTRACT THE WHOLE LIBRARY AND DOES NOT UNSQUEEZE FILES AS IT DOES IT. BE SURE TO HAVE PLENTY OF ROOM ON THE DISK. TO USE TYPE DELIB, A PROMPT WILL ASK FOR THE LIBRARY NAME, AND THE PROGRAM WILL DO THE REST.

Z80CHESS.LBR -- THIS LIBRARY CONTAINS A CHESS PROGRAM WRITTEN IN Z80 CODE, A DOCUMENTION FILE IS ALSO INCLUDED. THE PROGRAM IS VERY GOOD, AND NO IT DOES NOT HAVE ANY KIND OF FANCY GRAPHICS. IN FACT THE SCREEN IS A LITTLE HARD TO FOLLOW. ALL IN ALL IT GIVES YOU A GOOD CHALLENGE AND SEEING AS THERE ARE NO OTHER ALTERNATIVES RIGHT NOW, IT WILL HAVE TO DO. YOU MIGHT WANT TO SET UP A BOARD TO KEEP TRACK OF WHAT'S GOING ON BETTER.

XCCP,XCCPUTIL.LBR -- THESE LIBRARY FILES CONTAIN EVERYTHING YOU NEED TO USE A DIFFERNT CCP (COMMAND CONSOLE PROCESSOR) THAN THE STOCK ONE YOU GOT FROM COLECO. SOME OF THE ADVANTAGES OF THIS NEW CCP ARE, IT WILL LOOK TO DRIVE A, USER 0 FOR COMMAND FILES NOT FOUND ON THE CURRENTLY LOGGED DISK OR USER, IT DISPLAYS THE CURRENT USER AREA AT THE PROMPT (EXAMPLE...A0>...SHOWS YOU ARE ON DRIVE A, USER 0) AND TAKES UP LESS SPACE. THE UTILITY LIBRARY CONTAINS SOME OF THE FUNCTIONS NOT BUILT INTO THIS CCP, SUCH AS ERA, DIR AND REN. THE FACT THAT THESE AND SOME OF THE OTHERS SUCH AS SAVE AND USER ARE NOT BUILT INTO THE CCP ARE IT'S ONLY DRAW BACK. I RECOMMEND THAT IF YOU DO DECIDE TO USE THIS AS PART OF YOUR SYSTEM, THAT YOU RUN IT ON YOUR DISK AS PART OF A AUTOBOOT. THAT WAY WHEN YOU BOOT THE SYSTEM IT WILL ALREADY BE PRESENT UPON ENTERING CP/M. A CONTROL Y AT ANY TIME WILL LOAD YOUR NORMAL CCP

BACK INTO THE SYSTEM. THERE ARE BETTER CCP REPLACEMENTS, ZCPR BEING ABOUT THE BEST, AND WE HOPE TO BE ABLE TO OFFER THEM ON A FUTURE DISK.

DU-V89.LBR -- THIS IS A NEWER VERSION OF A DISK EDITOR THAT CAN BE FOUND ON PD DISK #5. AS I WROTE LAST MONTH DISK EDITORS CAN BE VERY USEFUL FOR SAVING DISKS OR TO THOSE WHO JUST NEED TO KNOW MORE ABOUT THERE DISK SYSTEM. THERE IS A PRETTY GOOD DOCUMENTION FILE IN THE LIBRARY WITH A FULL DESCRIPTION OF THE ALL THE COMMANDS AND THERE FUNCTIONS. SEE LAST MONTHS COLUMN FOR MORE INFORMATION ON THIS AND THE OTHER PROGRAM. ANYONE WANTING THE ASM FILE FOR THIS PROGRAM CAN GET IT FROM ME BY THE USUAL MEANS.

MERGE.LBR -- THIS LIBRARY CONTAINS A PROGRAM THAT WILL DO THE SAME THING THAT A COMMERCIAL PROGRAM BY THE SAME NAME FROM MICROPRO WILL, THAT IS IT WILL TAKE A NAME LIST THAT YOU MAKE UP SEPARATLY, AND INSERT IT INTO A STANDARD LETTER THAT YOU MAKE UP. THIS IS REAL HANDY IF LETS SAY YOU NEED TO MAKE UP A STANDARD FORM LETTER THAT YOU WILL BE SENDING TO A LOT OF DIFFERNT PEOPLE AND ALL THAT CHANGES ARE NAMES, ADDRESSES AND A COUPLE OF OTHER ITEMS. ALL YOU HAVE TO DO IS MAKE UP THE LETTER FOLLOWING THE DOCUMENTIONS FORMAT, THEN MAKE UP A FILE WITH THE VARIABLES, AND THEN RUN THE PROGRAM. THIS IS A LOT EASIER THAN TYPING THE LETTER AND THEN DELETING THE INFORMATION THAT CHANGES AND THEN REINSERTING THE NEW INFO. THIS IS JUST AN EXAMPLE, I IMAGINE YOU COULD USE THIS FOR PRINTING ENVELOPS OR OTHER SUCH THINGS. THERE IS FULL DOCUMENTION IN THE LIBRARY AS WELL AS THE SOURCE CODE AND A EXAMPLE LETTER AND DATA FILE TO TRY WITH IT. THE FORMAT IS REAL EASY TO FOLLOW AND GIVES PRETTY MUCH ALL THE VARIABLE SPACE NEEDED FOR MOST LETTERS.

NEXT MONTH WE WILL BE COVERING PD DISK #8 WHICH IS A PUBLIC DOMAIN VERSION OF THE C PROGRAMING LANGUAGE. THERE ARE ALSO SOME FUNCTION AND INSERT FILES ON THE DISK.

## SMARTWRITER TIPS

ONE OF THE "TRICKS" I LEARNED SOME TIME AGO WAS TO USE THE "MOVING WINDOW" SCREEN OPTION FOR ALL MY TYPING, WHICH IN MY OPINION WORKS ALOT BETTER. HERE IS WHAT YOU DO -

- . SET YOUR RIGHT HORIZONTAL MARGIN TO 47 (THE LEFT MARGIN IS SET TO 10 BY DEFAULT THE SCREEN DISPLAYS 36 CHARACTERS)
- . HIT SMARTKEY II SCREEN OPTIONS AND THEN HIT SMARTKEY VI FOR MOVING WINDOW

YOU CAN NOW ENTER YOUR LINES USING THE ENTIRE SCREEN INSTEAD OF JUST THE BLACK TYPING PLATEN AT THE BOTTOM OF THE SCREEN. THIS IS ESPECIALLY USEFUL FOR MOVING THE CURSOR AROUND AN ENTIRE SCREEN QUICKLY. IF YOU NEED TO SEE HOW A PARAGRAPH WILL LOOK WHEN IT IS PRINTED JUST RESET YOUR RIGHT MARGIN AND SMARTWRITER WILL ADJUST YOUR DOCUMENT ACCORDINGLY. JUST DON'T DO WHAT I OCCASIONALLY DO AND FORGET TO CHANGE THE RIGHT MARGIN BACK BEFORE YOU PRINT YOUR DOCUMENT !

SOME OF YOU HAVE QUESTIONED WHETHER YOU CAN SET DIFFERENT MARGINS WITHIN A DOCUMENT - THE ANSWER IS NO, BUT THERE ARE SOME WAYS AROUND THIS LIMITATION. THE FIRST IS FOR SHORT PARAGRAPHS OR JUST A SENTENCE OR TWO - USE THE TAB KEY TO INDENT THE LEFT MARGIN TO WHERE YOU WANT IT AND HIT THE CARRIAGE RETURN KEY WHEN YOUR SENTENCE REACHES THE NEW RIGHT MARGIN YOU WANT. THE SECOND METHOD HAS TWO FLAVORS - IF YOU HAVE A LONG SECTION OF A MULTI-PAGE LETTER THAT REQUIRES A DIFFERENT MARGIN YOU COULD CREATE A SEPARATE DOCUMENT FOR THIS AND PRINT IT OUT ON ITS OWN PAGE. YOU WOULD HAVE TO USE AN END PAGE MARKER AT THE SPOT THAT YOU WANT TO STOP THE OTHER DOCUMENT AND START A NEW PAGE. THE OTHER METHOD IS A BIT TRICKY BUT WILL WORK - YOU CREATE A SEPARATE DOCUMENT WITH THE DIFFERENT MARGINS AND YOU COUNT THE NUMBER OF LINES TAKEN BY THIS DOCUMENT AND INSERT THAT NUMBER OF CARRIAGE RETURNS IN YOUR BASE DOCUMENT. YOU PRINT OUT YOUR BASE DOCUMENT AND THEN RE-INSERT THE PAGE WITH THE "HOLE" AND PRINT THE OTHER DOCUMENT IN THIS HOLE ! YOU MAY HAVE TO TRY A "DRY RUN" FIRST TO INSURE YOU SPACING IS CORRECT, BUT IT WILL WORK.

### GAME HINTS

LET'S MAKE THIS COLUMN A HELP TO EVERYONE WHO LOVES TO PLAY THE GREAT GAMES THAT WE HAVE FOR THE ADAM. TEXT ADVENTURE GAMES ARE VERY POPULAR AND CAN ALSO BE VERY FRUSTRATING TO PLAY IF YOU GET STUCK AND CAN'T PROGRESS. THE FOLLOWING GAMES COULD USE SOME "HINTS" FROM YOU : BOUNTY HUNTER, ADVENTURE PACK I AND II, FANTASY GAMER, 2010: TEXT ADVENTURE, ZORK (I,II,III), PLANETFALL, STARCROSS, DEADLINE.

THE ARCADE GAMES ALSO COULD USE SOME HINTS. THESE MAY BE LITTLE TRICKS YOU LEARNED WHILE PLAYING - PLEASE SEND THEM IN TO HELP OTHERS.

A STANDARD RULE IS TO TAKE NOTES AND MAKE A MAP AS YOU PLAY THESE ADVENTURE GAMES - YOU WILL NEED THEM LATER FOR REFERENCE.

WE'LL START WITH THE POPULAR 2010: TEXT ADVENTURE GAME. FOR THOSE OF YOU THAT DON'T HAVE IT, YOU'LL FIND IT IS VERY SCARCE AND I'M NOT SURE WE WILL HAVE ANY LEFT BY THE TIME THIS ISSUE ARRIVES.

ONE OF THE INITIAL PROBLEMS IS GETTING IN THE SHIP. YOU NEED TO BE CAREFUL SINCE MOVEMENTS TO THE RIGHT AND LEFT WILL TAKE YOU IN DIFFERENT DIRECTIONS DEPENDING ON WHICH DIRECTION YOU ARE HEADED. IN ANY

EVENT YOU NEED TO GET TO POD BAY I BY MOVING LEFT ALONG THE SHIP (YOU START OUT ON THE RIGHT SIDE OF THE SHIP). THEN GO LEFT AND NORTH TO POD BAY 2. THEN GO SOUTH TO THE EMERGENCY AIRLOCK DOOR ON THE LEFT SIDE OF THE SHIP. LEAVE THE RUSSIAN POD WITHOUT BLOWING THE HATCH OPEN AND TURN ON YOUR PLU - GO TOWARDS THE DOOR AND YOU WILL ENTER THE SHIP.

ONE OF THE OBJECTIVES IS TO FIND THE MAIN GENERATORS - HINT - THEY ARE VERY BIG AND THE INSIDE OF THE SHIP IS NOT !!

HAVE FUN AND WRITE US AS TO HOW YOU ARE DOING.

### REVIEWS

SMARTTYPE V1.1  
REEDY SOFTWARE  
REVIEW BY W. MOTEL

THIS IS THE REVISED VERSION OF THE ORIGINAL THAT I REVIEWED IN THE 8/84 ISSUE OF NIAD. IT IS A WORDPROCESSOR PROGRAM (WRITTEN IN BASIC). THE MAIN ADVANTAGE IS THAT IT CAN LEFT, RIGHT JUSTIFY AND CENTER TEXT. IT CAN ALSO DO 2 COLUMN PER PAGE PRINTING. ONE DRAWBACK IS THE MAX. FILE SIZE OF DATA IS 60 ROWS OF 79 COLUMNS. FOR MORE, YOU CAN CREATE MULTIPLE FILES.

THE REVISED EDITION INCLUDES THE FOLLOWING ENHANCEMENTS :

- . FAST LOAD OPTION WHICH DECREASES THE TIME TO ACTUALLY LOAD THE BASIC PROGRAM.
- . BI-DIRECTIONAL PRINTING WHICH INCREASES THE PRINTING SPEED
- . ADDED FUNCTION KEYS (TAB, HOME, AND ARROW KEYS FOR MOVEMENT).

THESE ENHANCEMENTS IMPROVE THIS PROGRAM FROM A USABILITY STANDPOINT, THAT IS THEY MAKE IT EASIER TO USE AS AN ADJUNCT TO SMARTWRITER. HOWEVER, MY ORIGINAL REVIEW AND RATING DOES NOT CHANGE. THIS IS NOT A REPLACEMENT TO SMARTWRITER, BUT MORE OF AN ALTERNATIVE, IF YOU NEED THE JUSTIFICATION OR 2 COLUMN PRINTING. I AM NOT KNOCKING THE PROGRAM, WHICH IS WELL DONE, YOU, HOWEVER NEED TO WEIGH THE ADVANTAGES IT OFFERS YOU OVER SMARTWRITER AGAINST THE PROCESS THAT IS REQUIRED TO LOAD BASIC, RUN THIS PROGRAM, ETC. [EDITOR'S NOTE: NEXT MONTH WE WILL REVIEW POWERPRINT WHICH IS ANOTHER PROGRAM THAT PROVIDES ADDITIONAL TEXT FORMATTING AND PRINTING FUNCTIONS TO SMARTWRITER.]

RATING: B

CABBAGE PATCH KIDS  
PICTURE SHOWS  
COLECO

REVIEW W. MOTEL

THIS CARTRIDGE IS PART OF COLECO'S FAMILY LEARNING SERIES. IT ALLOWS YOUR CHILD TO CREATE "SHOWS" USING THE CABBAGE PATCH CHARACTERS.

THEY CAN USE ONE OF 4 PREDRAWN SCENES OR PAINT THEIR OWN ON ONE OF 4 BLANK SCREENS. THEY CAN SELECT FROM 3 KIDS OR A KOOSA. THEY CAN PAINT THEIR OWN THINGS ON THE SCREEN AND/OR SELECT FROM PREDRAWN INDOOR/OUTDOOR PROPS. THEY ALSO HAVE LETTERS, NUMBERS, AND MISC SHAPES TO SELECT FROM. ONCE THE SCENE(S) ARE DESIGNED, THEY CAN ANIMATE THEM AND SAVE THE SHOW FOR REPLAY (SAVE IS GOOD WHILE THE UNIT IS ON, NOT PERMANENT).

AN OVERLAY IS PROVIDED FOR THE CONTROLLERS. THE AVAILABLE FUNCTIONS ARE SYMBOLIZED AND ALLOW THE CHILD TO PICK OUT THE SCREENS, CHANGE CHARACTERS, GET PROPS, GET PAINT COLORS, OR GO TO THE MAIN OPTION SCREEN.

THE GRAPHICS ARE LO-RES (THE CABBAGE PATCH KIDS ARE HI-RES SPRITES OF COURSE), YET THEY ARE RECOGNIZABLE. 2 CAN PLAY AT THE SAME TIME, BUT CANNOT PLACE PROPS/DRESS CHARACTERS AT THE SAME TIME. THEY CAN PAINT AND MOVE CHARACTERS TOGETHER.

THIS IS SIMILIAR TO THE SMURF PAINT AND PLAY, BUT USES CABBAGE PATCH CHARACTERS. IT ALSO INCLUDES MUSIC WHICH IS A NICE ADDITION TO THE PLAY ACTION OF THE GAME AND THE ABILITY TO CHANGE CLOTHES AND COLORS ON THE LITTLE KIDS. THIS IS VERY WELL DONE AND SHOULD PROVIDE YOUNG CHILDREN WITH AN OPPURTUNITY TO DRAW, ARRANGE PLAY SCENES, AND BE CREATIVE.

RATING: B+

MEMBER COMMENTS/

QUESTIONS & ANSWERS

. I PURCHASED MY ADAM ALMOST A YEAR AGO FOR THE SOLE PURPOSE OF EDUCATING MY CHILDREN (ALL 6 OF THEM) IN COMPUTER TECHNOLOGY. AT THAT POINT IN TIME I HAD ABSOLUTELY NO COMPUTER "KNOW HOW" WHATSOEVER. MY STORY, I AM SURE, IS QUITE TYPICAL - I HAD PROBLEMS WITH THE SYSTEM. I WAS UNABLE TO GET ANY REASONABLE HELP FROM COLECO. I WAS UNABLE TO FIND ADEQUATE SOFTWARE/HARDWARE ETC. ETC.. THE OUTCOME OF WHAT APPEARED FOR A TIME TO BE A VERY ILL-CONCEIVED PURCHASE, IS THAT I HAVE BECOME A CONFIRMED ADAM ADDICT AND NOW HAVE 2 COMPLETE ADAM SYSTEMS - ONE FOR THE KIDS AND ONE FOR ME !! MY SYSTEM IS EQUIPPED WITH A 64K MEMORY EXPANDER AND 2 DISK DRIVES PLUS 2 DIGITAL DATA DRIVES. I HOPE TO PURCHASE THE EVE RS 232, SPEECH SYNTHESIZER AND 80 COLUMN MOTHER BOARD IN THE COMING WEEKS. I HAVE BEEN TEACHING MYSELF HOW TO PROGRAM IN SBASIC (THE HARD WAY OF COURSE - WITH NO

HELP) FOR SEVERAL MONTHS NOW HAVING ATTAINED REASONABLE SUCCESS AND I AM PRESENTLY TRYING MY LUCK WITH CPM.

OVER THE PAST MONTHS, IN A DESPERATE SEARCH FOR INFORMATION AND/OR SOFTWARE SUPPLIES I JOINED SEVERAL ADAM USER GROUPS/ NEWSLETTERS ETC. AND WITH THE EXCEPTION OF ONE PUBLICATION FROM MISSOURI, I HAVE BEEN EXTREMELY DISAPPOINTED WITH THE RESULT OF MY EFFORTS (AND DOLLARS!). IN 3 CASES I HAVE NOT RECEIVED PUBLICATIONS AS PROMISED AND WHAT I HAVE RECEIVED WAS OF VERY POOR QUALITY INDEED. AS A GENERAL RULE I DO NOT LIKE TO PURCHASE GOODS THROUGH THE MAIL, BUT IN THIS PARTICULAR CASE THERE DID NOT SEEM TO BE ANY ALTERNATIVE - SO I TOOK THE PLUNGE - ONLY TO BE CHEATED ! THE GROUPS/PUBLICATIONS IN QUESTION REFUSED TO ANSWER MY INQUIRIES AND/OR DELIVER THE GOODS. I MADE A VOW NEVER TO USE THIS TYPE OF SERVICE AGAIN. HOWEVER, HELP COMES WHEN AND WHERE YOU LEAST EXPECT IT! AT THE CHRISTENING OF MY YOUNGEST DAUGHTER IN SEPTEMBER A MEMBER OF THE CHURCH WOMEN'S GUILD MENTIONED THAT SHE WAS WORKING WITH HER SON'S COMPUTER AND THOROUGHLY ENJOYING IT AND YES IT WAS AN ADAM! SHE WENT ON TO TELL ME ABOUT NIAD AND YOUR EXCELLENT SERVICES. AFTER SOME HESITATION I DECIDED TO "GIVE IT ONE MORE TRY" AND I WAS CERTAINLY REWARDED FAR BEYOND MY EXPECTATIONS!

FIRST, YOUR PROMPT REPLY TO MY SUBSCRIPION REQUEST ABSOLUTELY FLOORED ME ! I RECEIVED MY FIRST ISSUE IN LESS THAN 1 WEEK FROM THE TIME I MAILED IT HERE IN TORONTO. SECONDLY - THE QUALITY AND QUANTITY OF YOUR PUBLICATION IS SECOND TO NONE! THERE WAS MORE USEFUL AND INFORMATIVE INFORMATION AND MATERIAL IN JUST 1 ISSUE OF NIAD THAN IN ALL 19 VARIOUS ADAM VOLUMES/ISSUES THAT I HAVE ACCUMULATED OVER THE PAST YEAR. YOUR FORMAT IS CLEAR, CONCISE AND MOST OF ALL ENCOURAGING. I PRAY THAT YOU WILL CONTINUE IN YOUR EFFORTS AND NOT FALL BY THE WAYSIDE LIKE SO MANY OTHERS.

MY ENTHUSIASM HAS PROMPTED ME TO WRITE MY FIRST "FAN" LETTER AT THE RIPE OLD AGE OF 39! MY CHILDREN RANGE IN AGE FROM 1 TO 21 AND YOUR NEWSLETTER HAS SOMETHING TO OFFER FOR ALL. WE LOOK FORWARD TO RECEIPT OF BACK ISSUES AS WELL AS FUTURE "ENCOURAGEMENT". IN ALL SINCERITY - THANKYOU S. MCFARLANE - I DON'T USUALLY REPRODUCE SUCH LONG LETTERS BUT FELT THIS ONE WAS IMPORTANT FOR OTHER MEMBERS TO SEE. IT REPRESENTS A TRUE ADAM OWNERS "SUCCESS STORY" THAT MANY PEOPLE WHO HAVE GIVEN UP ON THEIR ADAM COULD HAVE. THANKYOU SO MUCH FOR THIS LETTER WHICH IRONICALLY IS AN ENCOURAGEMENT TO NIAD AS WELL ! DON'T WORRY, NIAD WILL BE AROUND FOR ALONG TIME. GOD BLESS YOU AND YOUR FAMILY.

. I WOULD LIKE TO EXPRESS HOW MUCH I ENJOY YOUR MONTHLY PUBLICATION. AS A NOVICE I FIND IT VERY INFORMATIVE AND WELL DISPLAYED. I WOULD LIKE TO INQUIRE AS TO HOW ONE GOES ABOUT STARTING A USER'S GROUP OR AT LEAST HOW TO OBTAIN SUFFICIENT SUPPLIES OF ITEMS SUCH AS RIBBONS, DATA PACKS, PRINT WHEELS, ETC.

SOFTWARE EXCHANGE RULES:  
 NOTE: WE ARE CHANGING AND WILL ONLY PROVIDE LIBRARIES ON DDP, NOT DISK.  
 ADDITIONALLY, YOU HAVE THE OPTION TO PURCHASE A SPECIFIC LIBRARY FOR ONLY \$ 6.00 FROM THE NIAD PRODUCT LIST IF YOU DO NOT HAVE A PROGRAM TO EXCHANGE.  
 IN ORDER TO RECEIVE ALL THE LIBRARY PROGRAMS IN A SPECIFIC LIBRARY SEND A \*\* DDP ONLY \*\* WITH ONE PROGRAM FOR THE LIBRARY ( ALL PROGRAMS SHOULD BE TESTED AND WELL DOCUMENTED VIA A SEPARATE "README" FILE ) TO THE LIBRARIAN. INCLUDE A SELF ADDRESSED AND STAMPED RETURN MAILER. THE LIBRARIAN WILL COPY THE ENTIRE LIBRARY ON YOUR DDP AND RETURN IT TO YOU.  
 NOTE: I HAVE HAD SOME COMPLAINTS ABOUT THE REQUIREMENT OF SUBMITTING ONE PROGRAM TO GET THE SOFTWARE LIBRARY. PLEASE BE ADVISED THAT THESE PROGRAMS DON'T HAVE TO BE WRITTEN BY YOURSELF. THEY CAN BE ANY NON-COPYRIGHTED PROGRAM THAT YOU MAY GET FROM A BOOK OR MAGAZINE. YOU NON-PROGRAMMERS CAN DO US ALL A GREAT SERVICE BY TYPING IN THESE PROGRAMS, RUNNING THEM TO MAKE SURE THEY WORK AND SENDING THEM IN. I DON'T THINK THIS IS TOO MUCH TO ASK FOR WHAT YOU WILL RECEIVE.  
 EVERYONE, PLEASE SUBMIT YOUR PROGRAMS TO CREATE AN EXPANSIVE LIBRARY FOR NIAD.

SOFTWARE EXCHANGE

NIAD SUPPORTS A SOFTWARE EXCHANGE FOR ALL MEMBERS IN ORDER TO SUPPLY PUBLIC DOMAIN AND NON-COPYRIGHTED PROGRAMS. "LIBRARIES" WILL BE MAINTAINED FOR EACH OF THE MAJOR SOFTWARE PRODUCTS BY A NIAD MEMBER. CURRENT LIBRARIANS ARE:
