Adam™ Home Software Library
Program Loading Instructions

For ADAM™, The ColecoVision® Family Computer System

COLECO

Software Loading Instructions

This booklet contains the information you need to load programs from the four ADAM HOME SOFTWARE LIBRARY digital data packs. Choose a digital data pack—APPLICATIONS, EDUCATIONAL, MATHEMATICS AND MISCELLANY or GAMES AND GRAPHICS—and use the following step-by-step instructions to run the program of your choice!

Pick a Pack of Particular Programs!

Each data pack is a volume of specific types of programs. Choose any volume and get an array of related programs!

Get a degree of ADAM smarts from the educational data pack:

Educational Programs

arithmetic	numbers
flashcard	tachist
metric	vocab

Or apply your Basic skills with the applications data pack:

Applications Programs

biorhythm	loan
checkbook	mileage
decide	questexam

You can add method to your mathness with some of the programs on the mathematics and miscellany data pack:

Mathematics and Miscellany Programs

curve	stats
diffeqn	pi
graph	birthday
integrate	powers
simeqn	pythag

And for reward, try some arty excitement with the games and graphics data pack:

Games and Graphics Programs

decode	wari
groan	kaleido
jot	sparkle
obstacle	walloons
roadrace	squares

Ten Steps for 32 Programs!

Step 1: Review the ADAM Set-Up Manual for instructions on how to power up the computer and insert a digital data pack.

Step 2: Make sure that no diskettes or data packs are in any of the drives.

Step 3: Turn the switch on the back of the ADAM printer to **ON**. Turn the television on.

Step 4: SmartBasic™ needs to be loaded into your ADAM™ before you run any of your ADAM HOME SOFT-WARE LIBRARY programs.

Insert the SmartBasic™ digital data pack into the drive. Press Computer Reset on the ADAM Memory Console to start the load.

Step 5: Once SmartBasic™ is loaded and the SmartBasic™ prompt appears, remove your SmartBasic™ data pack. Insert the ADAM HOME SOFTWARE LIBRARY digital data pack that you want into the same drive.

Step 6: Maybe you already know the name of the program you want. Say you wanted to run the Walloons program. Just type **run walloons** and press RETURN. Your program loads and you are ready to go.

Step 7: Otherwise, to see the contents of whichever of the four ADAM HOME SOFTWARE LIBRARY data packs you have chosen, type **run menu.** Press RETURN when you finish typing.

Step 8: After a few seconds, the title screen of the specific digital data pack, with further instructions, appears. To get the digital data pack's table of contents, press any key. For example, if you loaded the Graphics and Games Programs digital data pack, you should get ten titles

If, instead, you want to escape from the program and return to the Smart-Basic™, press the ESCAPE key.

Step 9: Read through the list of program names to find the one you want. Walloons? Sparkle? Now, type in the number that corresponds to the program you want and press RETURN.

Step 10: Back to BASIC? If you want to leave a program to return to Smart-Basic™, first, simultaneously press Control and C keys, then press RETURN.

90-Day Limited Warranty

Coleco warrants to the original consumer purchaser in the United States of America that this digital data pack will be free of defects in material or workmanship for 90 days from the date of purchase under normal in-house use.

Coleco's sole and exclusive liability for defects in material and workmanship shall be limited to repair or replacement at an authorized Coleco Service Station. This warranty does not obligate Coleco to bear the cost of transportation charges in connection with the repair or replacement of defective parts.

This warranty is invalid if the damage or defect is caused by accident, act of God, consumer abuse, unauthorized alteration or repair, vandalism, or misuse.

Any implied warranties arising out of the sale of the digital data packs including the implied warranties of merchantability and fitness for a particular purpose are limited to the above 90 day period. Coleco shall in no event be liable for incidental, consequential, contingent or any other damages.

This warranty gives you specific legal rights, and you may have other rights which vary from State to State. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

SERVICE POLICY

Please read your Manual carefully before using the product. If your digital data pack fails to operate properly, please refer to the trouble-shooting checklist in the Owner's Manual for your particular video system. If you cannot correct the malfunction after consulting the trouble-shooting checklist, please call Customer Service on Coleco's toll-free service hotline: 1-800-842-1225 nationwide. This service is in operation from 8:00 a.m. to 10:00 p.m. Eastern Standard Time, Monday through Friday.

If Customer Service advises you to return your digital data pack, please return it postage prepaid and insured, with your name, address, proof of the date of purchase, and a brief description of the problem to the Service Station you have been directed to return it to by the toll-free service information. If your digital data pack is found to be factory defective during the first 90 days, it will be repaired or replaced at no cost to you. If the digital data pack is found to have been consumer damaged or abused and therefore not covered by the warranty, then you will be advised, in advance, of repair costs.

If your digital data pack requires service after expiration of the 90 day Limited Warranty period, please call Coleco's toll-free service hotline for instructions on how to proceed: 1-800-842-1225 nationwide.

IMPORTANT: SAVE YOUR RECEIPTS SHOWING DATE OF PURCHASE.
